2. Throughout a tour of duty with TRD as an instructor, each person is encouraged to retain his area interest and his language specialty, as well as his operational viewpoint. It is felt that a monthly briefing by ICS/OSO will assist and encourage the instructor to so do. It is not intended that details of a specific subject or area of a sensitive nature will be discussed.

3. If approved, it is recommended that OSO division chiefs be invited to attend the ICS/OSO presentations to be held in the TRD auditorium, and that consideration be given by ADSO to extending the invitation to selected OPC personnel.

FOR THE CHIEF, TRD
